

How to Register for Training at Local 2041

Local 2041 is now offering online registration for safety courses such as the Working at Heights and Mobile Elevating Work Platform (Power Elevating Work Platform). Please use the steps below to learn how to request to register.

PLEASE NOTE : Your request to register does not guarantee a spot in the course. Once we have approved your request, you will receive an email as confirmation, with instructions on how to access the training center and what items to bring.

STEP 1

Log in to carpenters.org

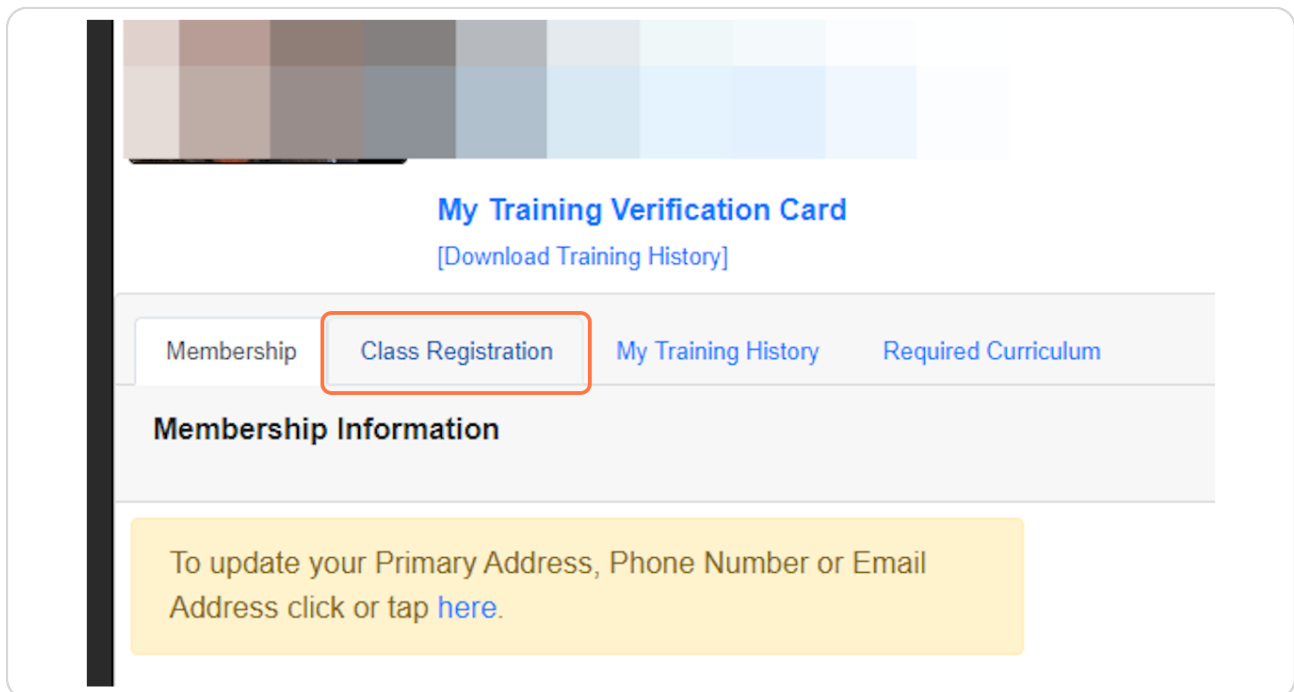

Go to carpenters.org and navigate to the 'Member Portal' tab. You can either log in to a pre-existing account or click on 'FIRST TIME? REGISTER HERE' to create a new account.

STEP 2

Click on Class Registration

Once logged in, click on the Class Registration tab at the bottom of the page to view available courses and dates.

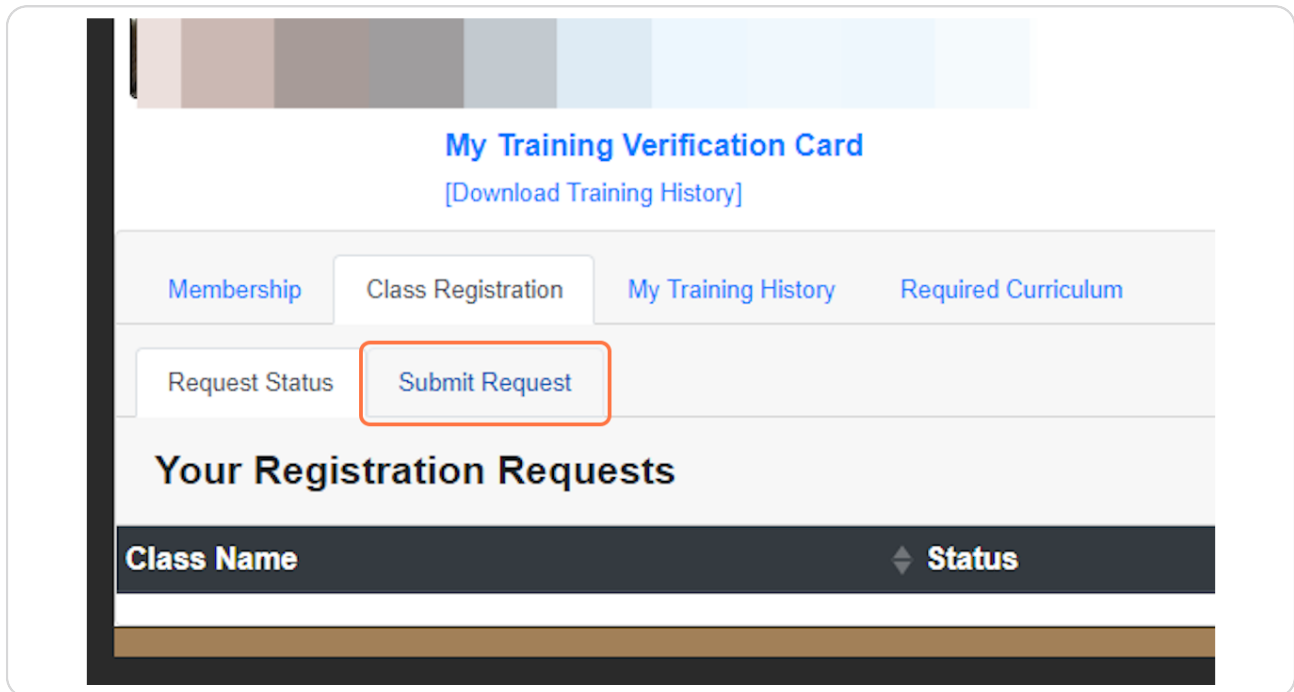

STEP 3

Click on Submit Request

To see available classes and request your registration, click on "Submit Request."

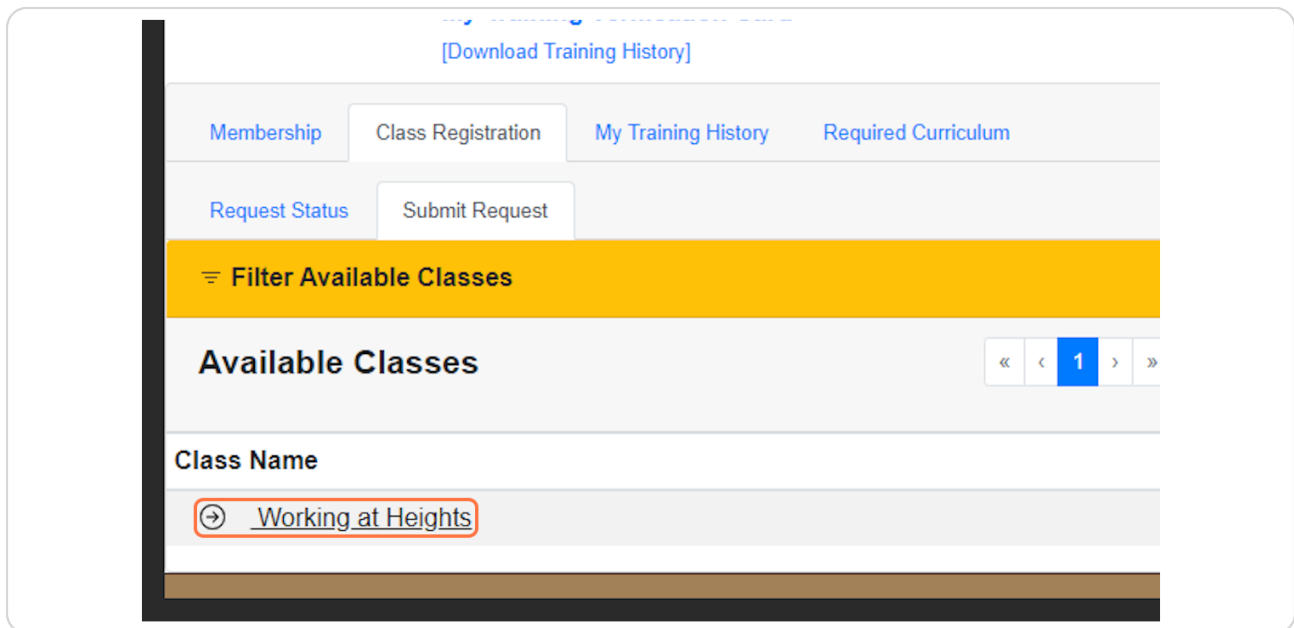

Note: If you have already requested a course, you can see that status under "Request Status."

The screenshot shows a user interface for training verification and registration. At the top, there is a header with the text "My Training Verification Card" and a link "[Download Training History]". Below this, there are four tabs: "Membership", "Class Registration", "My Training History", and "Required Curriculum". Under the "Class Registration" tab, there are two sub-tabs: "Request Status" and "Submit Request". The "Submit Request" tab is highlighted with a red border. Below the tabs, there is a section titled "Your Registration Requests" with a table header containing "Class Name" and "Status".

STEP 4

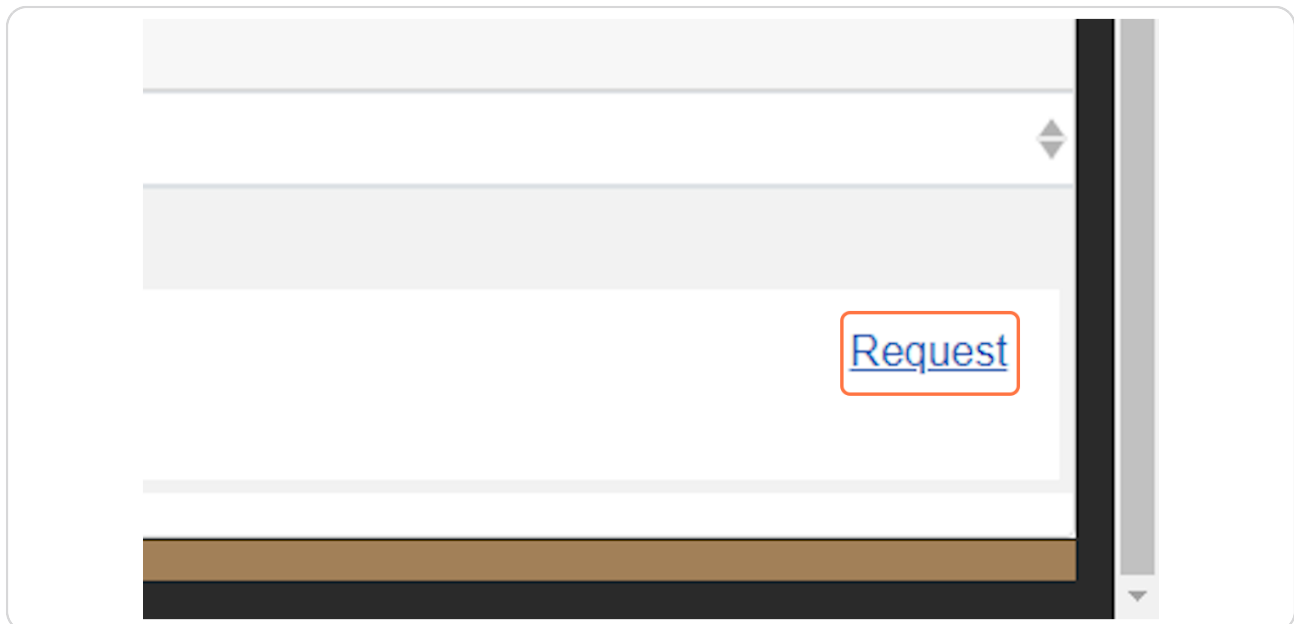

Click on the course you would like to attend

STEP 5

Click on Request

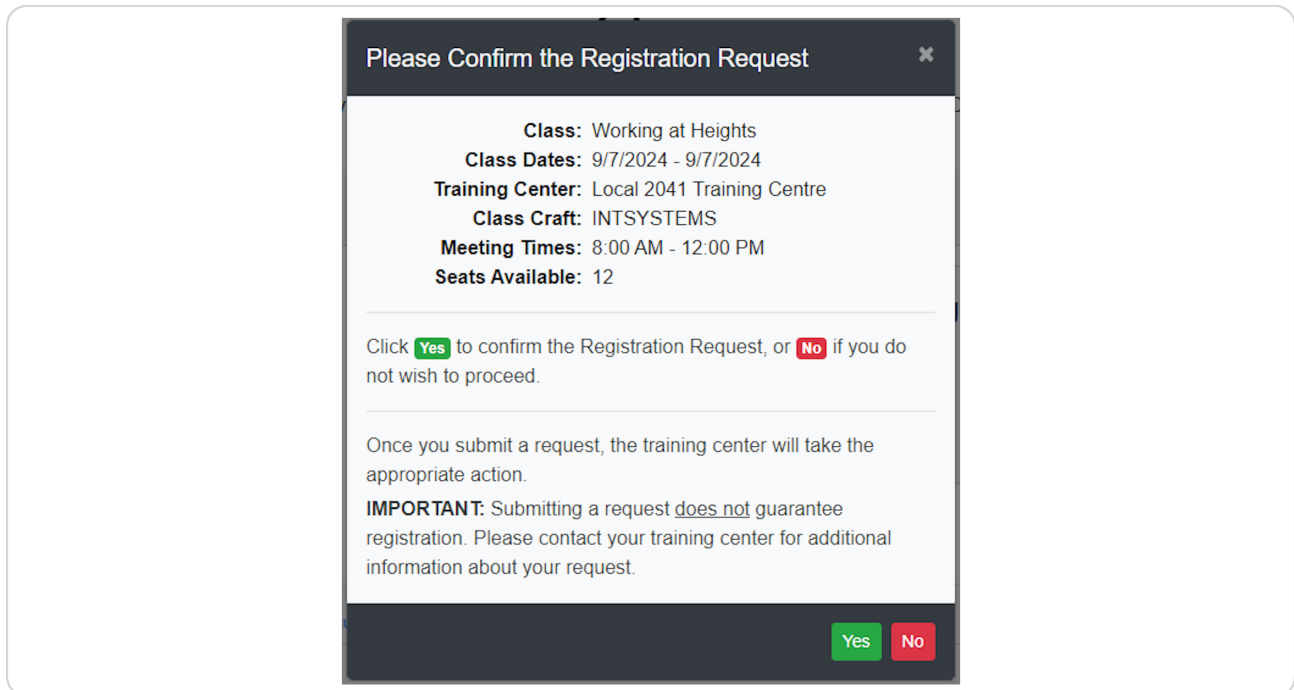

Click on "Request" next to the course name and date for which you would like to submit a request.

STEP 6

A Registration Request window will pop up

This is a great time to screenshot and add the date as "pending" to your calendar. You are not yet registered for this class.

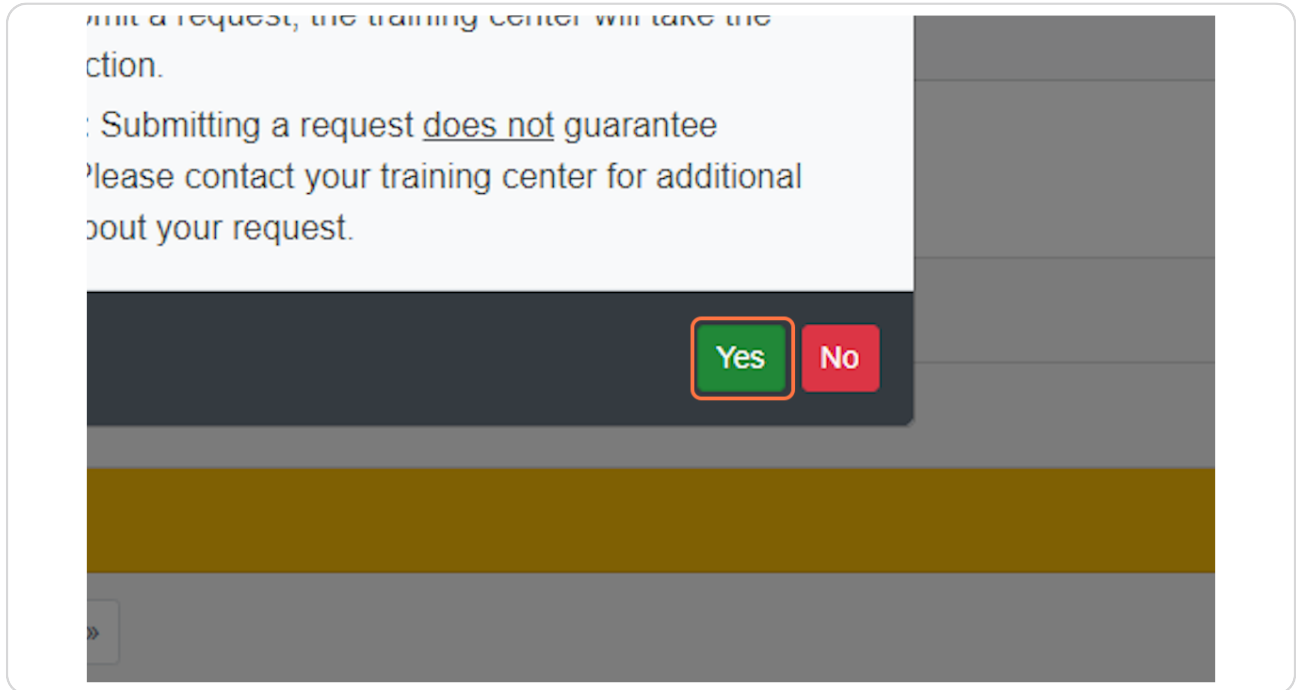

STEP 7

Click on Yes

To complete the request, select YES on the Registration Request pop up window with the course's information.

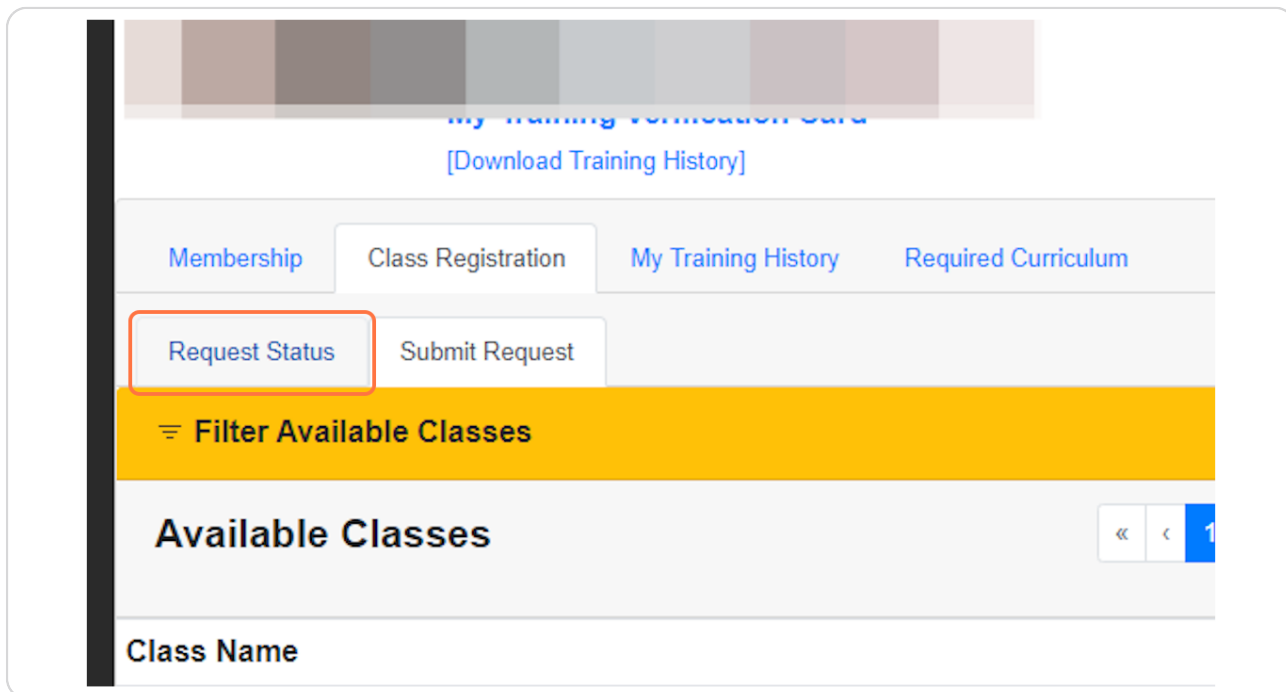

Without selecting yes, the Local will not receive your request.

STEP 8

Click on Request Status

Click on the Request Status tab for an update. You can also cancel your registration from this spot. **If your registration is cancelled within 48 hours of the scheduled course time, you may be subject to a No Show fee.**

STEP 9

You have successfully submitted your request!

PLEASE NOTE : Your request to register does not guarantee a spot in the course. Once we have approved your request, you will receive an email as confirmation, with instructions on how to access the training center and what items to bring.
